

## Maths

- Represent and use number bonds and related subtraction facts within 20.
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.
- Solve one-step problems that involve addition and subtraction.
- Telling the time to the hour and half hour.
- Comparing and describing mass.
- Recognising a half and a quarter of shapes.
- Solving one-step problems involving multiplication and division.

## History

Changes over time – Toys

Understanding that toys have changed over time, mainly in terms of materials used to make them/ technology for powering/driving them.

Children will see that their parents'/ grandparents' generations played active games or participated in more outdoor activities than today.

Understanding that in the past most children had far fewer toys than children today.

## Computing

- Learn to control a robot.
- Create a simple algorithm.
- Understand that there may be different solutions.

## Year 1

### Spring Term 1

### Journeys

## Science

### Habitats

- Knowing there is variation in all living things, that animals and plants live in a variety of places called habitats.
- That animals and plants have adapted to survive in different habitats.

## RE

Belonging – Linked to the feelings of happy and sad in the Easter story.

## Music

HMS listen to me

Bamboo tamboo

## English

Class texts:

- Lost and Found
- The Toy Museum

We will be using these texts to continue to develop our skills of writing simple sentences, punctuating these with capitals letters and full stops. We will also introduce joining sentences with the conjunction 'and'.

## Parent Information

- All children are expected to read at least 5 times a week at home and play Numbots for 5 minutes daily.
- Daily reads need to be recorded in their reading record. Records must be in school every day so we can record all school reading in them.

## PSHE

Keeping and staying healthy  
Computer safety

## PE

**Gymnastics** - Travelling and performing shapes and balances  
**Outdoor Games** – Target games.

## Art

Sculpture

Using paper to make 3D sculptures.
