

Year 4 Home Learning Spring 2

Our Year 4 weekly home learning expectations are:-

Read your school reading book five times per week.

Develop your times tables fluency using Times Table Rockstars (this is crucial as we edge closer towards our MTCs).

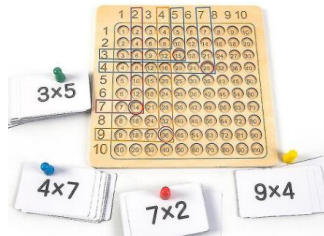

Learn your spellings each week.

You are also expected to complete at least one of these projects which you will bring in to present to the class.

The deadline for these to be in school is Monday 25th March 2024.

Maths

Can you design a fun and exciting multiplication game?

English

Can you create a Book review about a recent book that you have read.

A book review form template with fields for title, author, and a star rating.

Geography

Design and create your own Biome Fact file. You could write about the Desert, Rainforest or any Biome of your choice.

Computing

Internet Safety is important. Can you create a Internet Safety poster/PowerPoint.
