

Year 6 Home Learning Spring 2

Our Year 6 weekly home learning expectations are:-

Read your school reading book five times per week.

Develop your times tables fluency using Times Table Rockstars

Learn your spellings each week.

You will also be given up to 3 home learning tasks a week for each SATs practice book which you will need to complete.

You are also expected to complete at least one of these projects which you will bring in to present to the class.

The deadline for these to be in school is Wednesday 27th March 2024.

English

Write a news report about an alien landing on planet Earth. Make sure to include a description of the visitors from outer space as well as eyewitness accounts.

OR

Write a narrative based on an alien invasion.

ICT

Gather data based on football statistics, YouTube viewers, book sales or a category of your choosing and create a spreadsheet to present this, using a formula and graphs to present the information.

Geography

Create a working volcano. Take photos/videos of it in action to share with the class.

Online Wellbeing

Turn off your mobile phone/tablet/games console for a week or more. Keep a written diary/scrapbook of the things that you do each day and describe how you feel.
