

Maths

- Represent and use number bonds and related subtraction facts within 20.
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.
- Solve one-step problems that involve addition and subtraction.
- Telling the time to the hour and half hour.
- Comparing and describing mass.
- Recognising half and quarter of shapes.
- Solving one step problems involving multiplication and division.

Geography

Hot and cold areas

- Naming the world's seven continents and five oceans.
- Identifying the hot and cold areas of the world and beginning to understand the relationship between their position and the climate.

Computing

- Learning how to use a simple paint program.
- Creating a picture in the style of Mondrian.
- Creating a picture in the style of Georges Serat.

Year 1

Spring Term 1

Journeys

Science

Habitats

- Know there is variation in all living things, that animals and plants live in a variety of places called habitats.
- Know that animals and plants have adapted to survive in different habitats.

RE

Belonging – linked to the feelings of happiness and sadness in the Easter story.

Music

- Create own compositions for 'Walking the Dog' music.

English

Class texts:

- Lost and Found
- Where is home, Little Pip?
- The Storm Whale

We will be using these texts to continue to develop our skills of writing simple sentences, punctuating these with capitals letters and full stops. As well as joining sentences with 'and.'

Parent Information

- All children are expected to read at least 5 times a week at home and this must be recorded in their reading record.
- Reading records must be in school every day so that we can record all school reading in them.

PSHE

Keeping and staying healthy

Computer safety

PE

Yoga

Sports Coach – Team building games.

D & T

- Joining fabrics.
- Designing a puppet.
- Decorating a puppet.
