

# Year 1 Home Learning Autumn 2

Our Year 1 weekly home learning expectations are to read your e book at home to an adult, at least 5 times a week. To share books with adults at home (be read too.)

You are also expected to complete at least one of these projects which you will bring in to present to the class. Deadline for these to be in school is Monday 4<sup>th</sup> December 2023.

## Maths

Measures – Find items around your house that are longer than, shorter than, the same length as you.

Can you order these items according to their size and then measure them using every day items, e.g. marbles.

## English

Create your own super hero. Think of a name, what super powers they have and what they do. You could even write your own story about your super hero.

## Science

Research your favourite animal and create a fact file.

What type of animal is it? What does it look like? Where does it live? What does it eat? How does it move? Etc.

## History

Interview an older relative/friend about the toys they used to play with as a child.

What were they called? What were they made from? How did they work? Are any of them the same toys you have?
