

# Year 1 Home Learning Spring 1

Our Year 1 weekly home learning expectations are to read your eBook at home to an adult, at least 5 times a week. Also to share your library books with adults at home (adults to read to you).

You are also expected to complete at least one of these projects which you will bring in to present to the class. Deadline for these to be in school is Monday 5<sup>th</sup> February 2024

## Maths

Time – how many things can you do in one minute? (E.g. jumps, skips, etc)

Time how long it takes to do a range of everyday activities like brush your teeth, brush your hair, walk to school, read a book.

## English

Write and send a postcard to a member of your family or a friend.

## Science

Look in your garden and outside. How many different types of mini beasts/ animals can you find? Repeat this over a number of weeks. Do the numbers and variety change?

## Geography

Research a hot or cold area of the world. Create a poster about it. What is it like there? What animals or plants live there?
