

# Year 2 Home Learning Autumn 2

Our Year 2 weekly home learning expectations are to read your book five times a week. To go on NumBots or TTRS 3 times a week to practise number bonds and times tables.

You are also expected to complete at least one of these projects which you will bring in to present to the class. Deadline for these to be in school is Monday 11<sup>th</sup> December 2023.

## Maths

Keep practising your 2s, 5s, and 10s.

Have a go at TTRS your password and username is the same as NumBots.

Create a division game which involves your 10 times tables

## English

Create your own poem based around Winter.

Try and add rhymes or onomatopoeia to your poem.

## History

What was life like during 1666?

Create a fact file either written or using PowerPoint.

## Science

Why do we choose materials to do certain jobs?

Explain how materials can change.
