

# Year 4 Home Learning Autumn 2

Our Year 4 weekly home learning expectations are:-

Read your school reading book five times per week.  
Develop your times tables fluency using Times Table Rockstars  
Learn your spellings each week.

You are also expected to complete at least one of these projects which you will bring in to present to the class.  
The deadline for these to be in school is Monday 11<sup>th</sup> December 2023.

## Maths

Can you design and create a way that will help others to tell the time? Be as creative as you want!  
It might be a game, a song, a clock.

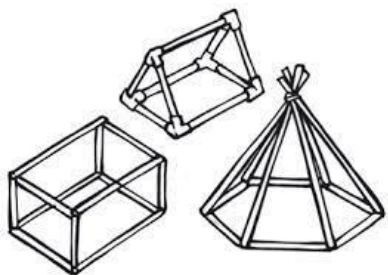

## English

Can you write a poem which is inspired by the season of winter?

## Design and Technology

We have been learning about designing a pavilion structure.

Can you build a different type of structure?

## PSHE

Can you create a poster for cycling safety that we could display around the school?
