

Boys Year 5/6 Football Team match with St Mary's Juniors

We took the Year 5 and 6 football team to St Mary's Juniors after school today, and what a glorious afternoon it was for a match. With Mr Green absent, the team were brilliantly supported by a couple of parent volunteers, along with Mrs Powell and Miss McCluskey.

We started strongly, showing great teamwork in both defence and attack. At half time we were 2-1 down, but the players listened carefully, encouraged one another, and went back on with real determination. Their resilience was outstanding, and they held their ground superbly throughout the second half.

Although the final score ended 5-1 and the result didn't go our way, we couldn't be prouder of every single player. Their attitude, effort, and sportsmanship were exceptional.

A huge thank you to the parents who came along to support — it means so much to the team.c

Boys Year 5/6 Football Team match with Oakley Juniors

We took the boys football team to play against Oakley Juniors. We've been very lucky recently with the weather, but we had another superb day for a game of football.

As well as Mrs Powell, Miss McCluskey and Mr Collingwood, we were also lucky again to have another great support from one of our parents, who helped with substitutions and keeping the boys' enthusiasm high.

The boys were all determined and focused, great defence and some superb strikes at goal. They held off well and some of our Goal Keepers saves were absolutely amazing. We had fantastic team work throughout and the resilience was sublime. We went into half time 2-0 to Oakley. There were no sad faces just the determination to win.

Second half started and again great defence and striking. Some great kicks from the corners and our goalie and defence team were brilliant. Sadly on this occasion it didn't go our way, 6-0 to Oakley. But our smiles showed how much fun we had throughout the game.

And again we appreciate all the support and encouragement from our parents and siblings, it does really mean a lot to us as staff and the children.
